

IMPORTANT GUIDELINES AND BOUNDARIES

Staff in general and your caseworker in particular will monitor your progress. They will always talk to you first if they think your behavior is counterproductive or threatening to your recovery. If this behavior continues unheeded then it can pose a threat to your recovery and action will be taken.

Strike 1. We will ask for you to hand over all your communication equipment such as laptops and phones, and we will secure them for a period of 48 hours.

Strike 2. We will ask for you to hand over all your communication equipment such as laptops and phones, and we will secure them for a period of 72 hours, and you may not allowed to participate in Sunday's off-site excursions.

Strike 3. Will be expulsion from the program.

Further, The Cabin does not allow clients to engage in certain activities on the internet or via phone for the duration of their stay. These activities include:

- 1) Pornography
- 2) Gambling
- 3) Dating Websites
- 4) Online Shopping
- 5) Certain Social Media Sites

I understand the above and agree to comply with these ground rules during my time in The Cabin.
